

ASHLEY FACTS

Ashley is a Non-Profit, Joint Commission Accredited, Substance Use Disorder Treatment Provider. We use every tool available to help you overcome your substance use disorder and discover life beyond addiction.

Since 1983

Ashley Addiction Treatment was founded in 1983 and has treated more than 50,000 patients and their families.

Everything for Recovery

Our driving principle - everything for recovery - reinforces our timeless mission to treat each person with dignity and respect.

Main Campus

Ashley's main campus in Havre de Grace, MD is situated on 147 acres overlooking the Chesapeake Bay and houses 117 patient treatment beds.

Continuum of Care

At Ashley, we offer seamless continuum of care ranging from ambulatory detox services to a 60 or 90 day extended care programs.

Medical Staff

Ashley medical staff is comprised of physicians (medical and psychiatric), physician assistants, licensed nurse practitioners (medical and psychiatric), registered nurses, licensed practical nurses, and certified nursing assistants.

Women's Extended Care Program

The Women's Extended Care Program consists of 90 days of treatment at a private, Ashley-owned residence in Churchville, Maryland, following the successful completion of a residential treatment program.

Family Services

Ashley offers a Family Wellness Program & Children's Program. The mission of the Family Services Department is to begin to break the generational cycle of addiction and help the family heal as a unit from the ripple effect the disease of addiction has produced.

Men's Extended Care Program

The Men's Extended Care Program consists of 60 days of treatment at a private, Ashley-owned residence in Churchville, Maryland, providing additional support during early recovery for emerging adult men.

Clinical Staff

Clinical staff includes psychologists and Masters level clinicians.

Charitable Care

Ashley has awarded over \$65 million in charity care since its inception.

Outpatient

The Ashley Outpatient Program provides you with affordable and individualized professional care with locations at Union Hospital in Elkton, MD and the Klein Family Harford Crisis Center in Bel Air, MD.

In-Network

We are in-network with most insurance carriers.
